WORK EXPERIENCE

Code Coach & Teacher's Assistant | Grand Circus | Jul. 2018 - Present

- Assists conditionally accepted students with their pre-work and current students with their lab work in .NET (C#) as a code coach.
- As a teacher's assistant, assists those who attend the Intro to Code classes in JavaScript.

Web Administrator Trainee & Family Service Worker | Council for Economic Opportunities in Greater Cleveland | Oct. 2014 - Apr. 2016

- Attended meetings with marketing and a 3rd party vendor as the MIS department representative for the redesign of the company website.
- Presented user-based solutions to integrate two proprietary cloud-based database systems into the new company site.
- Assisted other Family Service Workers in data-entry of dental, health, and medical records into a proprietary cloud-based database system.

Web Marketing Associate | Home Appliance Mart | Jun. 2013 - Sep. 2014

- Part of a three-person team to maintain and update two company web properties via Dreamweaver, Excel, HTML, and a proprietary CMS.

Web Developer | Solutions for VIP Dancers | Jan. 2009 - Dec. 2013

- Used a proprietary CMS to create, update, and maintain an eCommerce site that generated up to \$1,500/month in revenue.
