Relevant Experience

Council for Economic Opportunities in Greater Cleveland   **Cleveland, OH**
Information Services: Web Administrator Trainee   *May 15 – Apr 16*
- User Support: Provided customer service to 500 users within a team of 5 associates in order to mitigate common IT related issues such as password expiration, new employee computer setup, new accounts in office 365 to provide email as well as in Active Directory to gain access of company resources. Updated mobile phones and devices for security/new features.
- IT Tasks: Tracked IT assets, resources, and inventory in order to assist the finance department in regard to the budget using Excel spreadsheets. Migrated critical data and resources from Novell servers to Office 365 groups in order to move users onto the Office 365 platform.
- Website Creation Process: Attended meetings with the marketing department and Insivia for a redesign of the company website via Wordpress. Offered solutions in integrating the COPA and OCEAN database systems with the new website.

Family Service Worker   *Oct 14 - May 15*
- Data Entry: Assisted other Family Service Workers by inputting health and dental records into the COPA database system in order to ensure compliance with federal laws in regards to the Head-start program.

Big Georges Home Appliance Mart   **Ann Arbor, MI**
Web Marketing Associate   *Jun 13 - Sep 14*

- E-commerce: Created and updated webpages for displaying (removing) new (obsolete) products using a customer management system (CMS), Dreamweaver, Photoshop, and Excel spreadsheets to drive customer sales. Used Excel to create/remove bulk Adwords ads in order to drive an increase in sales or discontinue a sale that has ended.

Solutions for VIP Dancers LC   **Ypsilanti, MI**
Self Employed   *Oct 09 – Dec 13*
- E-commerce: Created and updated webpages for displaying (removing) new (obsolete) products using a CMS to drive sales.

Ballroom Dance Club at the University of Michigan   **Ann Arbor, MI**
Director of Curriculum   *Jul 08 – Apr 16*
- Document Creation: Generated lesson schedules for the club each semester to be published to the website to be maintained weekly.

Director of Website   *Jul 09 – Jul 10*
- Website Maintenance: Maintained club's website weekly via Dreamweaver to keep patrons informed and updated on the schedule of classes.
